Filip Popescu — Front End Developer

✉ codreanu.filip@outlook.com   📞 514-567-4095   📍 Montreal, Canada   ⌨ https://github.com/FPops

PROFILE

I am a self-taught Front End developer, specializing in creating beautiful and engaging websites. Comfortable working with HTML, CSS, Javascript, React, and Bootstrap. Great at working with a team as well as just by myself. Always interested in gaining further experience and learning new technologies.

PROFESSIONAL EXPERIENCE
